

LEGAL RESOURCES

Family Justice Web site

Online: <https://www2.gov.bc.ca/gov/content/life-events/divorce/family-justice>

Provides comprehensive information about family justice services offered by British Columbia's Ministry of Attorney General for families experiencing separation and divorce.

Law Courts Education Society of BC

Online: www.lawcourtsed.ca

Works to make our justice system accessible to everyone through hands-on, targeted, two-way education between the public and the justice system.

Legal Services Society - Family Law in British Columbia

Online: www.familylaw.lss.bc.ca

The Legal Services Society offers self-help materials, links to places for more legal help and offers general information about family law.

General Child Development Resources

Human Early Learning Partnership

Online: <http://earlylearning.ubc.ca>

We are a collaborative, interdisciplinary research network, based at UBC.

Child Development & Rehabilitation

Online: www.childdevelopment.ca/education.aspx

Raising our Healthy Kids

Online: www.vimeo.com/raisingourhealthykids/videos

Raising Our Healthy Kids is a series of short 60-90 second videos providing information to parents and care providers on healthy growth and development of children up to 12 years of age.

Heart-Mind Well-Being

Online: <https://heartmindonline.org/qualities>

Heart-mind well-being refers to the balance between educating the mind and educating the heart. While there is great focus in our society on academic achievement, research has demonstrated the positive impacts of developing our hearts – the way we feel and relate to one another.
